The application:

Migrants should submit evidence of their diploma and physiotherapy education with certified copies. A certificate of good standing issued by the migrant's competent authority is also required.

- Evidence of physiotherapy qualification (with diploma)
- Evidence of good standing
- Documentation of applicant's name, date of birth and nationality (e.g. copies of relevant pages from passport).
- Name of Competent or other National Authority

Further requirements:

The Swedish association has automatic recognition of migrants from other EU (European Union) countries. Adaptation periods and aptitude tests are generally not required but the association reserves the right to prove each case individually. Knowledge of the host country's language is desirable and must in some cases be achieved. The migrant applicant does not have to meet any special conditions to become a member of the association.

Please contact the Swedish Association for further details.
